

# How to Review Analytics with ELI

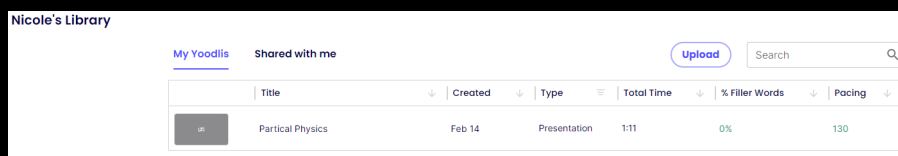

1

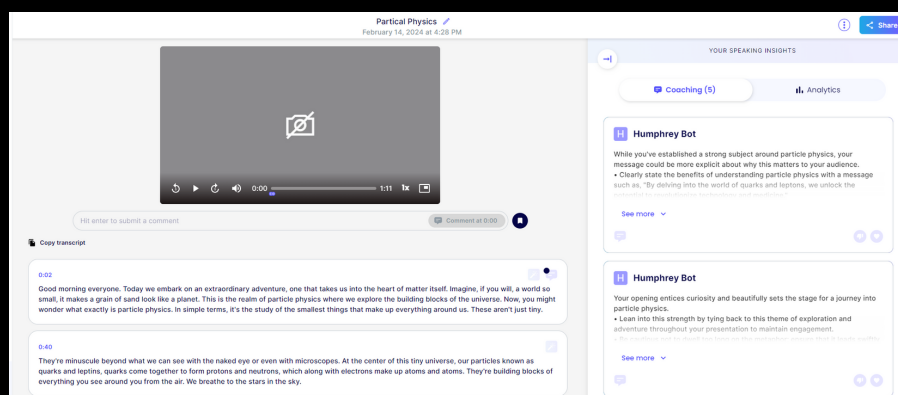

Select Library from the options on the lefthand side.

2

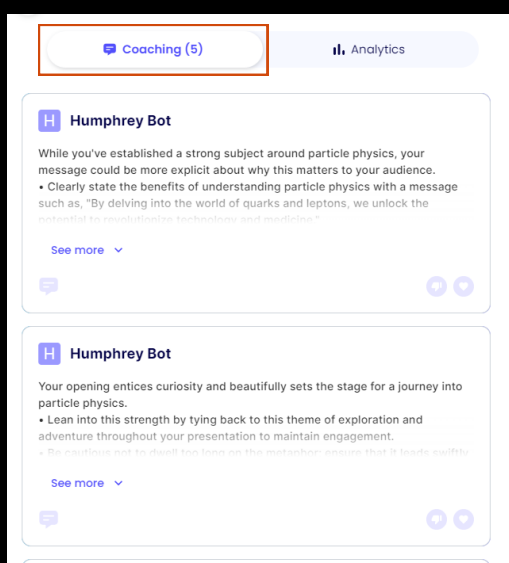

This will bring you to a page with all your recordings. Click on the recorded presentation you want to see analytics for.

3

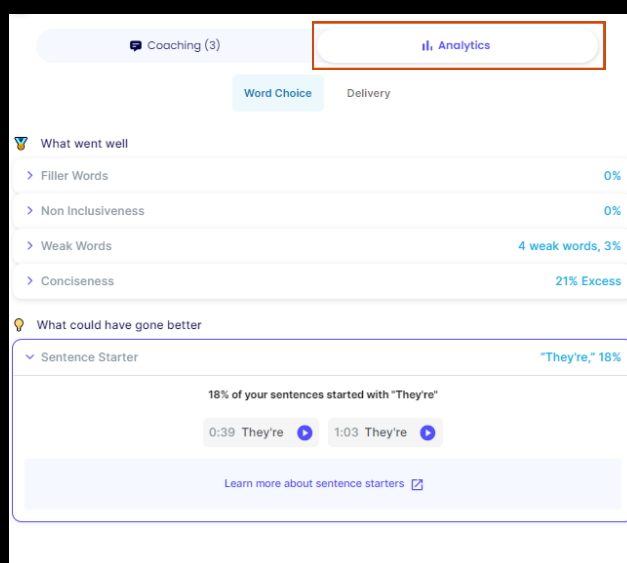

Your presentation will appear with a time stamped transcript underneath it. To the right you'll see tabs for Coaching and Analytics.

4

The Coaching tab includes personalized feedback, follow up questions, key points your audience took away, and rephrasing suggestions.

5

In the Analytics tab you'll find feedback on your filler words, non inclusiveness, weak words, conciseness and what could have gone better suggestions.
